

## **COMMUNITY PARKS (10-50 ACRES)**

### **OPEN SPACE**

#### **GREENWAYS & URBAN OPEN SPACE**

- **TOWN SQUARE**
  - This idea tops almost anything else in the room!
  - Great idea!
- **AESTHETIC ENHANCEMENTS**
  - Get rid of parking lots on Liberty Lake – break them up
  - Definitely needs help. Make entry look more appealing
  - I would like to see the area between the Trailhead GC and LL Road be returned to native plants
- **CONNECTIVITY**
  - Need to maintain trail edge – noxious weeds are everywhere
- **INTERPRETIVE**
  - Interpretive signs to explain the history and geology could be placed along golf course bike trail
  - Information on arterial location would be easy to find by out-of-towners
- **PUBLIC ART**
  - Would be a great addition to town square
  - YES!
